## Application for Registration of a Kennel Prefix

Selected names in order of preference:

1.

2.

3.

4.

**Please Note:**

- a) A prefix **MUST** be one (1) word only of twelve (12) letters or less. Do not leave any spaces between the letters.
- b) Hyphens and/or apostrophes are not permitted.
- c) The NACA will not accept for registration any word which is the same or similar to a Prefix already registered in Australia or elsewhere.

I am not aware that any of these names are already in use in the breed in Australia or Overseas and understand that if the name registered is in use in Australia or Overseas, the ANKC will cancel it.

**Before Mailing Please check:**

Have you completed the form correctly and enclosed the fee?  
 Any bitch used for breeding under this Prefix must be registered in the same ownership as the prefix. Please check now on the front of the Registration Certificate that this is so.  
 A Prefix registered in the names of Mr & Mrs Blank may not be used to register dogs bred by them individually and visa versa.  
 A Prefix may subsequently be transferred only to a person of the same family or to the person with whom prefix is jointly registered.  
 A Prefix may be registered by a financial member of the NACA. A Junior member may only register a Prefix jointly with another member over the age of eighteen (18) years.  
 Finally, all applicants will be advised in writing if and when a Prefix has been accepted for registration. This may take several weeks depending on when the application is lodged. If none of the names submitted are accepted, further submissions are required. An application should be lodged at least 2 months before the anticipated date of whelping.  
 Your application and the Fee should be forwarded to The Secretary, at the above address.
