## Application for Registration of a Kennel Prefix

Selected names in order of preference:

- 1.
- 2.
- 3.
- 4.

**Please Note:**

- a) A prefix **MUST** be one (1) word of no less than four (4) or no more than twelve (12) letters. Do not leave any spaces between the letters.
- b) Hyphens and/or apostrophes are not permitted.
- c) Dogs NT will not accept for registration any word which is the same or similar to a Prefix already registered in Australia or elsewhere.

I am not aware that any of these names are already in use in the breed in Australia or Overseas and understand that if the name registered is in use in Australia or Overseas, the ANKC will cancel it.

Any bitch used for breeding under this Prefix must be registered in the same ownership as the prefix. Please check now on the front of the Registration Certificate that this is so.

A Prefix registered in the names of Mr & Mrs Blank may not be used to register dogs bred by them individually and visa versa.

A Prefix may subsequently be transferred only to a person of the same family or to the person with whom prefix is jointly registered.

A Prefix may be registered by a financial member of Dogs NT. A junior member may only register a Prefix jointly with another member over the age of eighteen (18) years.

Finally, all applicants will be advised in writing if and when a Prefix has been accepted for registration. This may take several weeks depending on when the application is lodged. If none of the names submitted are accepted, further submissions are required. An application should be lodged at least 2 months before the anticipated date of whelping.

Current prices for this application are available on our web site or from the office.
