

I am re-nominating for the position of Vice President of DogsNT.

I have been on Council for the last 16 years and have held the Positions of Councillor, Secretary, President for a number of terms and Vice President also for a number of terms. I have represented NNACA (later to be named DogsNT) a number of times as a Director Of the ANKC. During this time I was able to commence liasing with a number of ANKC Directors to help bring about the Neuter Class that we are presently enjoying. As President and Vice President I have worked hard to keep DogsNT operational and I believe that I still have the ability to hold the position and continue to work with Council to keep us functioning satisfactorily.
