CHAMPION RHEGED ADDAON FAB TALIESIN (AKA – ‘WINDY POPS’)

Sire: Supreme Champion Ricochez Auryn Talyessin CD RAE
Dam: Grand Champion Ricochez Dyfri Addiena

To say our young homebred Welsh Springer Spaniel has taken us on a whirlwind debut season would be an understatement! From his 2019 opening gambit of winning Best Exhibit in Show & Runner Up Best Exhibit in Show through to his 2019 finale - Runner Up Best Exhibit in Show - this young Welshman had a fabulous first year out there playing in the ‘big dog sandpit’.

In his first season out, he amassed 7x Best in Show, 5x Runner Up in Show & 21 Best Exhibit in Group wins – with many of these achievements bestowed upon him by Breed & Gundog connoisseurs alongside many experienced Australian & International judges. He was also awarded #1 National Rising Star Welsh Springer Spaniel, #1 All Breeds NT & #1 Gundog NT (Dogzonline Pointscore), & with multi Class in Show wins also under his collar, this super young Gundog held his own against some truly lovely dogs.

A fluent Welsh speaker, ‘Windy’ clearly displays all the hallmarks of his ancient breed – from his classic leaf-shaped ears, through his ‘smooth, powerful, ground covering action’ to the very tip of his merry tail he is certainly doing his illustrious ancestors proud. Having recently embarked on ‘Scent Work’ training, his amazing nose is proving to serve him equally as well as his good looks – he is not just a pretty face! We are very much looking forward to getting him back out there again as he closes in on his Supreme Champion title & who knows? He may even tackle the trial ring in the future & if he is anything like his sire, that could be a whole lot of fun as well.

‘Windy’ is proudly owner, handler & breeder campaigned by Nikki & Peter Jones, ‘Rheged Springer Spaniels’, Darwin, NT.

President's Report

Dear Members,

As you are all well aware, the impact of COVID-19 has been far-reaching. I would like to thank you, the Members, for your continued understanding regarding the necessary cancellation of activities.

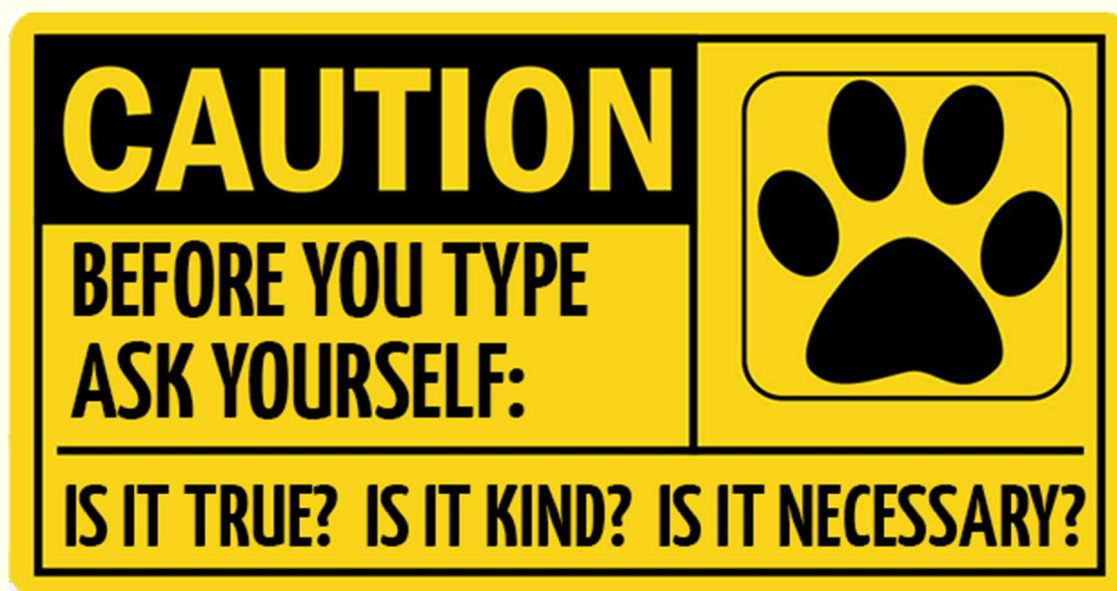

DogsNT will be working closely with Clubs to salvage any events possible once restrictions are lifted and it is safe to do so. In the meantime, you can still support your local Clubs by renewing your Memberships with them to ensure they are still able to operate on the other side of this pandemic.

Following the AGM, held in May, I would like to welcome Carol Beckett as our Vice President for another Term and thank Bob & Erica Whitehead in Alice Springs for their support over many years and I wish them all the best.

A big thanks also to Allan Watt for his continued efforts in maintaining the Winnellie grounds during this period and hopefully it won't be much longer before we can resume our activities.

Be safe – Kind regards

Mel Hammett
DogsNT | President.

FCI NOTICES

The WORLD DOG SHOW is postponed to December 2020

From 17 to 20 December 2020, in Feria de Madrid. The decision, approved by the RSCE and the FCI, was taken based on health instructions.

Madrid, 22nd April 2020 - Following an agreement between IFEMA and the Real Sociedad Canina de España, (RSCE) later approved by the Fédération Cynologique Internationale (FCI) decided to **postpone the FCI World Dog Show 2020**, initially scheduled to take place from 23rd till 26th April 2020 (initially postponed to 9-12th July, 2020) **to 17th-20th December 2020 (Thursday to Sunday)**. The FCI World Dog Show will take place in the Feria of Madrid.

The decision was taken based on the instructions from the health authorities, taking into consideration the development of the Covid-19 in Spain and in the rest of the world and with the aim of guaranteeing the participation of foreign people in a worldwide event with specific characteristics .

IFEMA, the RSCE and the FCI confirmed their agreement to celebrate the FCI World Dog Show in Madrid, giving a clear response to the high expectations of breeders and exhibitors around the world, as well as the approximately 80 commercial partners that already confirmed their presence.

This decision was positively received by the main sponsor of the event ARION, as well as by the sponsors ARTERO and BAYER, the collaborator ROYAL CANIN and the insurance company MAPFRE, who all renewed their support.

IFEMA will provide its best resources to ensure a successful celebration of this great international event. In practice, pavilions 4, 6, 8, 9 and 10, with more than 86,000 m², will be made available, in order to make enough room for the 84 rings and the Ring of Honor of the WORLD DOG SHOW 2020, as well as the rest of the other exhibitions and the commercial area. Of course, all the relevant security measures will be guaranteed and all the pavilions will be properly air-conditioned.

In the coming days, the RSCE will communicate all the changes related to the new dates that could affect the event program, judges, registrations or cancellations.

WELCOME TO THE FCI WORLD DOG SHOW, WELCOME TO MADRID!

ANKC HEALTH & WELLBEING COMMITTEE COVID-19 ADVICE TO BREEDERS

Realising that bitches were mated or whelped prior to the introduction of travel and social distancing restrictions, the CHWC hopes that the following advice will help in the process of transferring puppies to their new owners.

In addition the ANKC has received many inquiries in regard to continuation of breeding during this time of Government limitations, this of course is a personal choice but the ANKC recommends that before you mate a bitch, you give serious consideration to difficulties that may be encountered in relocating puppies to their new homes, transporting puppies both inter and intrastate can be a problem as are limited flights between states.

COVID 19 – the basics

COVID 19 is one of a large group of Corona viruses that affect many species. These viruses, like most, are generally species specific and rarely transfer to or affect any other species.

Both dogs and cats have corona viruses, but these are genetically very far removed from COVID 19. There has been no recorded transfer of dog and cat Corona viruses to humans and vice versa.

Socialising during the COVID 19 pandemic

Because of the limited movement and social distancing of people during the COVID 19 lockdown, breeders will have to be more inventive with their puppy socialisation, particularly if there are no children around.

Lots of play activity, try having different outfits, hats, noises, toys; most of which are usually done anyway. Take a few puppies out at a time in a trolley or pram to walk around the park or the block to see different places, people running past etc.

Do more one on one handling, particularly in those breeds that really need the individualisation (GSD, Rottweiler, etc). Stress to new owners that they will need to keep up this socialisation after they leave your care.

Placing a Puppy during COVID 19 – Safety Advice

1. Do most of your normal checks, talking to prospective owners by phone, email, Facebook etc, ahead of time. Send photos, videos of the puppies, how they are being kept and raised, shots of the parents etc.
2. Check the credentials of the new owners, safe yards and fencing, members of the family, young children etc. Give copies of the relevant health certificates to people you expect to take a puppy. Have your puppy pack ready with dietary advice, spare puppy food, vaccination certificates etc, all ready to go before people arrive to see the puppy (or puppies).

ANKC Notices

ANKC HEALTH & WELLBEING COMMITTEE COVID-19 ADVICE TO BREEDERS

3. Explain to prospective owners ahead of time what to expect. Ask whether anyone has had contact with anyone with COVID 19 or whether they have a cold or flu. Ask that older and/or compromised people and young children do not come to view the puppies. Only allow 1-2 people to come at any one time. Have everyone use a hand sanitizer or soap and water before handling the puppies.
4. Put the puppies to be viewed in a playpen, preferably outside, where the puppies can be placed into before the people arrive. Limit the number of puppies brought out. Prospective owners can then handle the puppies without direct contact with you. Any puppies not going can be wiped over with disinfectant (or washed) after the other puppy has gone.
5. Have all the paperwork ready, if anything needs signing, use a pen that they can then keep or you wipe it down with disinfectant/hand sanitizer. Keep the time spent with prospective owners to a minimum. Wash your hands and all open surfaces around the puppy area after the people leave.
6. With the restrictions on travel and only for essential business, it becomes quite difficult to sell puppies and comply with the necessary requirements. All the advice that we can give is how to limit your exposure to the virus when people come to view puppies.

[Note: It has been brought to our attention that in some jurisdictions people visiting your home, to pick up a puppy may be considered to be non-essential and therefore a finable offence, please check you State or Territory COVID 19 Regulations before arranging for puppies to be viewed or picked up.]
