## KOSMOS ARGENTO MASSICIO (AKA 'STERLING')

**Sire:** Ch Xarnego Orlando Furioso

**Dam:** Ch Galig Cacciatrice

Kosmos Sighthounds is proud to introduce this handsome young Italian Greyhound 'Kosmos Argento Massicio' (aka 'Sterling'), who is currently being campaigned in South Australia.

'Sterling' is the image of his much-admired father and just oozes the same elegance, balanced conformation, class and steady temperament so typical, desired and admired in his breed.

'Sterling' is a natural in the show ring, a total show pony, and is bringing immense joy to his handler and co-owner, Ashleigh Divola, who is absolutely devoted to him.

Pictured here at the 2019 Adelaide Royal Show, 'Sterling' won the Puppy Dog class and, as is demonstrated in this photo, wooed the Judges his lovely flowing movement and trademark Sighthound gaze.

'Sterling' is owned, bred, campaigned and loved by Clare Flattum and Ashleigh Divola: 'Kosmos kennels', Alice Springs, Northern Territory.

## President's Report

Dear Members,

With the show and trial seasons now over, I would like to congratulate all the clubs on running such a successful calendar of events in 2019. There were 31 weekends of events across the year with multiple clusters and disciplines covered. Whilst entry numbers have generally been down, we have seen a slight increase in the number of interstate exhibitors attending, and the clubs hosted professional activities that they should all be proud of. Congratulations and a huge thanks are extended to their hard-working committees and all the volunteers.

DogsNT have been successful in obtaining a Community Benefit Scheme grant to purchase a shiny new ride-on lawnmower, with attachments, to maintain the grounds at Winnellie. A big thank you to the NT Government for this funding. The grounds will now be mowed regularly by dedicated Members - thereby helping to reduce our overhead costs.

A timely reminder that all DogsNT memberships are due for renewal now and **MUST** be paid by the 31st December each year. There will be a late fee of \$25 incurred by Members who don't make the December deadline, so **PLEASE** do **NOT** forget to get your forms and payment submitted to the office ASAP to avoid the extra cost.

The holiday season is upon us so I would like to wish everyone a very Merry Christmas and prosperous New Year. I am looking forward to the year ahead and seeing you all back for another full year of canine activities,

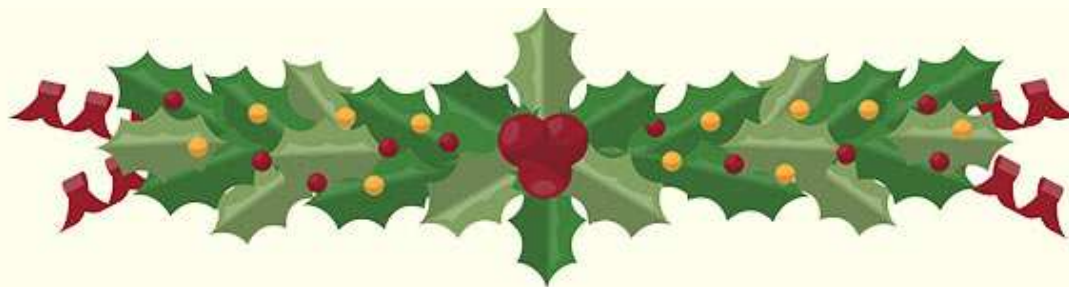

Kind Regards

Mel Hammett

### IMPORTANT NOTE TO MEMBERS

Could members please not exercise their dogs on the training grounds. Instead, we encourage members to exercise dogs in the area immediately outside the front gate.

### FCI NOTICES

#### FCI JUDGE SUSPENSION - LIFTED

With reference to our circular 25/2017 dated 30/5/2017, the Kinološka zveza Slovenije - Cynological Association of Slovenia informs the FCI members and contract partners that **Mrs Špela Briški Cirman** has been again allowed to officiate as FCI international show judge since 16/07/2019.

#### FCI JUDGE SUSPENSION

The Suomen Kennelliitto - Finska Kennelklubben (FKK) informs the FCI members and contract partners that **Mrs Lena Danker-Höglund** has been suspended as FKK member, national and FCI international show judge from 28/08/2019 until 31/12/2022. The FCI Judges Directory has been updated by the FKK accordingly.

#### BRACHYCEPHALIC BREEDS: COOPERATION AGREEMENT

The FCI President, Dr Tamas Jakkel, and Dr. Jane Ladlow of the Animal Health Trust and BOAS Research Group at the University of Cambridge, agree to cooperate in order to investigate and guide the FCI members (national canine organisations) and the pedigree dog owner community about the BOAS (Brachycephalic Obstructive Airway Syndrome). This welfare issue has been causing a large debate worldwide and is of great concern to the pedigree dog breeders and dog owners of these popular breeds.

Dr Ladlow's extensive knowledge in this particular field will help the FCI and its members/breeders to devise strategies to monitor and improve this matter. Both the FCI and Dr Ladlow believe that the best solution is to improve the health of the breeds and carefully monitor the breed populations. We share the idea that banning these breeds for the sake of their health is not realistic and could make the problem worse. More dogs will be produced outside the FCI system and out of reach of our FCI members. Future progeny, which are dependent on market demand, will be uncontrolled and will not be registered or enrolled in health schemes including newly established genetic tests. There is a danger that breeding of these dogs would move into the shadows, making it difficult to trace the dogs' genealogy.

Our cooperation aims at developing guidelines for the breeders of our national canine organisations on how to contribute to improve the health of our popular brachycephalic breeds. We also aim to monitor the results of these programmes over the next 5 to 10 years so that we can assess their effectiveness and determine if other strategies are required. We strongly believe that this result cannot be achieved by any other means.

All BOAS affected dogs have the right to live a decent life.

#### **Dog health and welfare were, are and will always be our priority**

**Dr. Jane Ladlow** - Animal Health Trust Lanwades Park, Kentford  
BOAS Research Group at Cambridge University of Cambridge Department of Veterinary Medicine UK
