President's Report

Dear Members,

With the 2020 Trial and Show season now over, I would like to congratulate and thank the hard-working Club Committees and all the volunteers for making events possible despite all the trying circumstances that 2020 threw at them.

Whilst there was only a handful of shows and trials available, thankfully some Clubs were able to get back to training, trialling, and limited showing for the second half of the year. A big thank you to all those who attended these events and who worked with the Clubs in complying with the appropriate COVID-19 requirements.

DogsNT were successful in obtaining a Community Benefit Fund grant to help renovate and build a new disabled toilet facility and your patience will be required once construction commences. A big thank you also goes put to the NT Government for funding this much-needed facility.

Despite the tumultuous year we all had, DogsNT welcomed many new Members and a new Affiliate and I extend a big warm welcome to you all and to the Rottweiler Club of the Northern Territory.

The DogsNT Office had a 'difficult' start to the Christmas/New Year break – suffering vandalism and a 'break-in' that has taken quite a bit of 'sorting out' and things were still ongoing into the New Year. It proved difficult, given the time of year, getting repairs done hurriedly, both to secure and to waterproof the demountable – however, a HUGE thank you must go out to TopLockNT, Easy Glass Services and the NT Police for responding so quickly to our call out for help.

I would like to thank all the Members for their continued patience as our volunteers and staff worked hard at getting everything back and running smoothly again.

With the holiday season and 2020 are now behind us, and I hope everyone had a Merry Christmas and that the New Year is good to us all. Let us pray that 2021 is a far happier year, for not only our Northern Territory Community, but for friends and family throughout Australia and worldwide.

Be safe everyone and I look forward to seeing you all back again for a full year of activities,

Kind regards – Mel Hammett | President DogsNT.

VALE

Susan Jeanette Dwyer

26/05/1947 – 09/12/2020

It is with the heaviest of hearts and great sadness that the DogsNT Council advise of the recent passing of Mrs Susan Dwyer.

Sue was known by so many throughout Australia. An experienced Judge, a keen competitor, committee member and ex DogsNT Councillor she volunteered in so many areas of the dog world. Sues knowledge, experience, enthusiasm, and infectious laugh will be missed by many.

Sue passed away at 1:50 am on Wednesday 9th December 2020, at the Royal Darwin Hospital. She was farewelled by her family and friends on Monday 14th December 2020, in a very moving service where her son, Nathan, read a moving eulogy and the service was accompanied by her favourite songs, psalm and music.

On behalf of the DogsNT Council and Members, DogsNT extend condolences and deepest sympathies to Reg and Sue's family.

Rest easy Sue.

ATTENTION JUNIOR HANDLERS!

Hello, Junior Members and parents!

Just a quick notice to introduce myself to all our Junior Members, their parents, and guardians. My name is Diane Coe, and I am excited and proud to announce that I am the newly appointed Junior Handler Co-Ordinator for DogsNT.

I am interested in hearing from all the parents and juniors out there as - given enough interest - I would love to restart, in earnest, the DogsNT Junior Handler programme.

Junior Handler competitions are a wonderful opportunity for the young members of DogsNT to exhibit their purebred dogs in the show ring. The competitions and training are a lot of fun and a rewarding challenge. It is a wonderful opportunity to make new friends, learn all about dogs, learn how to get the best from your dog and develop confidence camaraderie and good sportsmanship.

Do you, our Junior Members, wish to develop your handling skills in this exciting discipline? Maybe even you just want to learn more about Conformation Showing and increase your knowledge and skills in the Show Ring?

If your answers are YES – let's do this! Please let me know by emailing DogsNT! It is as simple as that! Here's hoping there will be enough interest shown this year to get the Junior Handler programme and some training happening again!

Looking forward to hearing from you all,

Diane

ANKC Notices

HOW MUCH IS A PUPPY?

To the person who writes an email to simply ask the price.

To the person who calls and after hearing a price surprisedly states: "I can buy a cheaper puppy elsewhere".

To the person who doesn't care about papers because I want "just a pet".

No puppy is "just a pet".

Behind every pure-bred dog is a BREEDER.

We are using capital letters to differentiate a breeder from a pet factory or mill.

A reputable breeder does not breed puppies without papers because that does not protect the integrity of the breed. Registration (papers) are records of lineage that document bloodline and allow one to research any possible health issues present in the lineage.

When you tell a Breeder you don't care about papers what you're really telling them is you couldn't care less about the health of the puppy, you just want the cheapest thing you can find!

When you select to buy a puppy from a reputable and quality breeder, this breeder is responsible for the health of every puppy; both puppies they choose to keep themselves and every puppy they've sold for its lifetime.

This breeder will skip holidays, miss sleeping, and most of their personal house space has been turned into space for their dogs.

The truly passionate breeder who loves what they breed puts their whole heart and soul into it.

Not only in puppies that are sold, but also in each client who owns a piece of their heart and now is a member of their extended family.

This does not take into account any puppy/adult dog who might get sick or need extra help to thrive.

Breeders worry about their babies after they leave and will take one back without question.

A breeder will get their hands dirty, often covered in everything accompanied with birthing because that's what life is about...

In the middle of birth and death is life. It's the wheel that keeps turning.

A breeder will do tests, echos, xrays, analysis, emergency c sections, vaccinations, register puppies and litters, research pedigrees, deworm, as well as microchip their puppies and get them evaluated by specialists.

Last but by no means least, a breeder CHOOSES the family lucky enough to have one of their puppies. Yes, you read that right.

A true breeder chooses who they sell to because they are not making money off the sale.

There is no compensation that can offset the investment a Breeder has made so they need to be confident its the right fit. Many times saying more no's then yes...

A good Breeder will have different criteria for those wanting to carry on their bloodline, why?

Because breeding is not a responsibility to ever be taken lightly, it's a lifestyle choice set aside for ONLY the few devoted people willing to sacrifice.

Because a dog is never "just a pet" it's the Breeder's legacy, a little boy's best friend, a little girls protector, an elderly persons therapy, a member of the family, someone's whole world!!!
