

2021 Presidents Report

Dear Members,

Welcome and thank you for attending our 2021 AGM.

I would like to congratulate and thank the hard-working Club Committees and all the Volunteers for making events possible despite all the trying circumstances we are still having with Covid. Thank you to all that attended the events that have taken place so far this year having to comply with the Covid19 requirements.

Some Clubs are having large problems with the Judges airfares being consistently changed, hopefully this will be sorted out soon.

As reported earlier this year, we were successful in obtaining a Community Benefit Fund Grant to help renovate and build a new disabled toilet facility.

As you may have noticed construction is nearly completed but the toilet is yet to be commissioned.

A big thank you must go to the NT Government for funding this much needed facility.

Despite a tumultuous start to the year we have all had, DogsNT welcomed some new members and a new Affiliate and I extend a big warm welcome to you all and to the Rottweiler Club of the Northern Territory.

The DogsNT office had a difficult start suffering vandalism and a break-in that has taken quite a bit of sorting out. It proved difficult getting repairs done hurriedly to secure the office and waterproof the demountable,

I would like to take the opportunity to thank all our Members for their patience as our volunteers and staff have worked hard to keep the office running smoothly.

Regards,

Mel Hammett,

President
