CHAMPION WYTCHER B SPELLBOUND ('LILY')

Champion Wytcher B Spellbound ("Lily")

Breed: English Springer Spaniel

Sire: Ch Barecho Custom Made (Imp SWE)

Dam: Ch Barecho B Witched (Imp SWE)

Whelped: 10th June 2021

Breeders: Professor C Curtis & Mr D Nicholson, 'Wytcher,' Nannup, WA

Owned, handled, and loved by: Nikki & Peter Jones, 'Rheged,' Berry Springs, NT

When her breeders generously offered us this exciting young Springer - we jumped at the chance! Having admired her ancestors for years, we were thrilled at the opportunity to welcome the classically bred Lily to our home. Originally named Björk (due to her European heritage), and despite being a tad older than our usual new additions, a quick name change, and HRH Lily had soon established herself as our resident PrincESS!

Bred in the 'purple,' and Champion titled at just 10 months old, Lily has already made her presence felt in the showring. With limited outings (and at the tender age of just 9 ½ months), her wins already include Multi Best Exhibit in Show and Best Exhibit in Group awards – with these accolades bestowed upon her by respected Gundog connoisseurs and judges alike.

Oozing correct breed type and hallmarks; symmetrical, compact, and displaying that unique Springer movement 'strictly his own,' Lily is simply a lovely, feminine, 'moderate' and sound example of her ancient breed. We do hope that she continues to 'fill the eye' of those who take the time to appreciate this biddable young bitch and thank all those who have commented favourably upon her.

We cannot thank Carey and David enough for entrusting Lily to us and we hope to do both you, and all the other resolute breeders behind her, proud.

TRAVELLING IN THE NORTHERN TERRITORY AND EHRLICHIOSIS

Remember, the tick-borne dog disease Ehrlichiosis has been confirmed in Northern Territory.

We need your help to spread the word that the tick-borne dog disease Ehrlichiosis has been detected in the Territory. Biosecurity is a shared responsibility, and we need your support to build community awareness of everyone's role to stop transmission of the bacteria 'Ehrlichia canis'.

Ehrlichiosis is transmitted to dogs by the brown dog tick, which is widespread in northern Australia. Prevention is the best protection for dogs as vaccinations are not presently available. All dog owners are strongly encouraged to have their dogs on a tick control program, regularly check their dogs for ticks, and be on the lookout for signs of the disease.

UKRAINIAN KENNEL UNION: UPDATE

Due to the conflict in Ukraine, many Ukrainian breeders and owners had to leave their country with their dogs, sometimes with new-born puppies and/or pregnant females. The latter will or have whelp(ed) in countries different from Ukraine.

The Ukrainian Kennel Union (UKU), aware of the situation, put forward a proposal to the FCI General Committee, which was accepted on March 16, 2022. The proposal is as follows:

a) In case a bitch has whelped while being in a country (FCI member) different from Ukraine, export pedigrees will be issued by UKU according to the following procedure:

A local veterinarian microchips the puppies in due age, vaccinates them, checks up the testicles, bite, for other possible anomalies like broken tail, etc, and issues the relevant certificate.

The breeder/person taking care of the bitch and puppies sends this certificate online to UKU (hotline@uku.com.ua) as well as the other relevant documents required by UKU (information about dam and sire, etc).

A UKU cynologist, via a video connection, checks the microchip and the conformation of the puppies and issues the documents for the puppies (puppy cards) in digital copy.

FINAL STEP: the electronic puppy cards are sent back by email to the breeder/person taking care of the dog. Later on, the electronic puppy cards will be exchanged for the export pedigrees by the new owners of the dogs.

b) Regarding the issuance of export pedigrees for Ukrainian dogs sold or to be sold, the procedure is as follows:

The new dog owner sends by email to UKU (hotline@uku.com.ua) a copy of the puppy card/of the pedigree under the name of the previous owner/of the electronic puppy card, the information about himself/herself and a bank receipt for the payment for the pedigree.

FINAL STEP: UKU sends by email to the dog owner the digital copy of the UKU Export pedigree. The digital copy can be later replaced by the genuine paper document once Ukrainian postal service starts working again.

Any puppy card/export pedigree obtained according to the above procedure will be accepted by all FCI Members and Contract Partners.

- Their record as a winning dog i.e., CLUB – STAKE – DATE – JUDGE PLACE and/or
- Their production record.
