

Carol Beckett, Vice-President Dogs NT, Director Dogs Australia.

Hi members old and new, most of you know me but for those who don't, here is a brief description of my time as an active and dedicated member of the Dogs NT Council. I am seeking your vote to once again be re-elected. Your support will enable me to continue the dedicated work I am currently undertaking to benefit our members.

I have no personal agenda for being on council. I am already an international judge and a successful breeder who has exported to 12 countries. My motivation for being on council is simple. I wish give back to the hobby that has bought me joy by serving members. I want to ensure the long-term viability and independence of Dogs NT and to represent our interests on a national platform. There are occasions where our small organisation may be overshadowed or impacted by the decisions that may benefit other larger states but would adversely affect us. I am committed to being a strong voice to ensure this does not happen and that we are not overlooked. I am committed to moving Dogs NT forward.
