

KRISSY BREED

2024 Dogs NT Nominee Profile

After thorough research and searching high and low for a top breeder, I finally became the proud owner of my first English Cocker Spaniel in early 2022. My favourite thing about this breed is it's merry disposition!

Although I have been a dog owner for over 15 years and well adept at dog training, I am now stepping into grooming, conformation and obedience with my pedigree. By joining the Council of Dogs NT I hope to learn a lot more about the industry, and contribute to growing participation in canine activity in the NT.

I am an advocate of pure breeds and breeding to improve the breed. To that end I have been researching dog genetics to learn everything I can, well in advance of one day titling Teddy, and finally beginning my own breeding program under my prefix 'Galaxsea'.

If I am elected to Council, I would be well placed in the Secretary role because of my background in governance and working with associations and the Licensing Act.
