DOGSNT – REMEMBERING PAST STARS

BREED: [Doberman](#)

SIRE: Champion Tornadobe Terra Rossa

DAM: Champion Mardori Indian Maid

OWNERS: Mrs SL Irlam and Mr I Irlam

BREEDER: Mr DA and Mrs HE Bourne

16 February 1998 → February 2012

Meet 'Nikki' – who, like so many of our past and present Northern Territory canines, was also a 'first' time achiever! This lovely, elegant, and muscular bitch was the first in the Territory to whelp a frozen semen litter, and what a historic moment that was. So many of her progeny followed in her cat-like paw prints and went onto be champions, which, given their impeccable breeding, was surely their destiny.

A very patient, typically intelligent girl, and with her breed ancestry flowing through her veins, she was happiest working alongside her humans. Consequently, she became in great demand as a Junior Handler dog, and quickly became a firm favourite amongst the younger exhibitors.

A multi-Best Exhibit in Show, Best Exhibit in Group and Best of Breed winner, it was a privilege indeed to watch this beautiful dog strut her stuff in the competition ring. With her typical proud carriage, correct energetic movement and unflappable attitude it was nothing short of pure canine poetry, and indeed, this was acknowledged repeatedly as the judges 'gave her the nod.' Of course, 'Nikki' expected nothing else, she was a star, and being a pure Doberman through and through - she knew it!

A much-loved family protector, companion and friend - she remains dreadfully missed, and in the Irlam family's hearts forever.

DID YOU KNOW? The Doberman is a comparatively modern breed, and unusual in that one man is credited with its origin in the 1880s - Herr Louis Doberman. A nightwatchman and tax collector, he bred for a large terrier-type dog which would be utterly fearless, highly intelligent and a first-class personal guard dog.

By the end of the 19th century, Otto Goeller took the rough breed and improved it enormously, retaining its alertness and exceptional qualities as a guard dog, whilst at the same time softening the breed so that it also became a good house dog.

Although physically strong, this breed is not a bully and can live in harmony with other dogs, and other pets. There is nothing mean about its character and his devotion and natural protective instinct make him an ideal companion and trustworthy canine member of the family. Intelligent and a quick learner, Dobermanns come in four colours and excel at a variety of activities, including Obedience, Tracking, Agility, Rescue, and police work, as well as showing capabilities as guide or therapy dogs.

DOGS NT PRESIDENTS REPORT

DOGS NT: PRESIDENTS REPORT:

Hi members,

The year is getting into swing, which is a reminder that ballots for the upcoming vacated positions on council will soon be posted. I encourage all members to vote and please return their ballot swiftly so your vote can be counted. If you don't receive your ballot soon, please contact Suzie Ripper.

A big thank you to Steve Russell, who has volunteered his own time to regularly mow our association grounds. Without volunteers like Steve, Dogs NT would cease to function, so I thank everyone who gives their time in support of our hobby. Thank you also to all who attended our recent grounds working bees.

Speaking of the grounds, we have secured a grant to replace doors and conduct maintenance work on the toilet block. These renovations are approved and will commence within the next few weeks. We are also in the process of treating the termite mounts in the training areas. This might cause some minor inconvenience to user groups but as you would understand, is necessary. We are also applying for a further grant to maintain and remove troublesome and dead trees by an arborist. All of which should be happening in the near future. A big thank you to Sarah Gordon for preparing the applications for these important minor works grants.

We have stream-lined paperwork through the 'Show Manager' site allowing, for example, title applications to no-longer require certificates to be lodged with the application. Council has also approved 'live results' on the day and breed numbers to be released prior to the show which weren't accessible before. All of which demonstrates how council is listening to the needs of members. I would also like to thank Rebecca Williams for running a workshop to help new club officials understand how to use the 'Show Manager' app.

Steve Beckett.

KRISSY BREED

2024 Dogs NT Nominee Profile

After thorough research and searching high and low for a top breeder, I finally became the proud owner of my first English Cocker Spaniel in early 2022. My favourite thing about this breed is its merry disposition!

Although I have been a dog owner for over 15 years and well adept at dog training, I am now stepping into grooming, conformation and obedience with my pedigree. By joining the Council of Dogs NT I hope to learn a lot more about the industry, and contribute to growing participation in canine activity in the NT.

I am an advocate of pure breeds and breeding to improve the breed. To that end I have been researching dog genetics to learn everything I can, well in advance of one day titling Teddy, and finally beginning my own breeding program under my prefix 'Galaxsea'.

If I am elected to Council, I would be well placed in the Secretary role because of my background in governance and working with associations and the Licensing Act.

MAI WALTON – DOGSNT 2024 COUNCIL NOMINEE

Hello DogsNT Members,

By way of introduction, my name is Mai Walton, and I am currently the President of the Alice Springs Kennel & Dog Sports Club. I have been on the committee of this club since stepping in three years ago, when the club was on the brink of collapse. I am also a trainer for the Alice Springs Obedience Dog Club.

I have spent my life around dogs, notably I have been a member and volunteer at the Alice Springs animal shelter for more than 20 years. My position at the shelter has seen me foster and support many special cases and has formed the basis of why I am so passionate about the preservation of the *ethical pedigree dog world*.

I have owned my own pet care business for almost 20 years and have been a

groomer for five years. I am passionate about animal welfare and devote my life to my own animals and participating in dog sports, as well as conformation showing events.

Last year I sourced over \$5000 in sponsorship for the Alice Springs Kennel & Dog Sports Club. If nominated I would bring my initiative, determination, and passion to the council, and with the support of the Dogs NT members I would work hard to continue to see our dog world thrive in the NT.

As President of the Alice Springs club, I find myself always on call to support members, and as a lifelong dog lover and volunteer I find myself on call to support the welfare of animals. This 24/7 availability would enable me to be dynamic and accessible when needed for a council position with DogsNT.

→ Feel free to email me at Mai@pawznclawz.com.au if you have any questions.
