

Tiffany Vivian, Councillor Dogs NT

Hi members, I am seeking your support for election to the Dogs NT Council at the upcoming 2021 election. For those who do not know me, I have been an active dogs NT member for many years. I have in the past served on Council so I am aware of the processes and procedures. Now that my children are older, I believe that I once again have the time to serve you, our members as a councillor of Dogs NT.

I bring with me a wealth of knowledge and skills that I feel will be of great value. As past Marketing and Events Manager for Coleman's Group in the Darwin CBD, I have extensive knowledge and experience relating to organisation and promotion. This will enable me to better promote Dogs NT and our interests to the wider public. With the recent negative perception of dog breeders across Australia, I am committed to informing the public of the many positive aspects of dog ownership, the wellbeing benefits of participation in dog sports and the general advantages of owning a purpose-bred dog.

As Vice-President of a local dog club, I am also aware of the workings of clubs at a grass roots level and so am able to guide and assist in the day-to-day running of dog events. I am a member of the Ring Stewards Panel, which also demonstrates my ongoing commitment to Dogs NT in an active role.

I can speak on and for the promotion of pure-bred dogs being a registered breeder, initially of Staffordshire Bull Terriers and more recently as breeder and exhibitor of Tenterfield Terriers. I have also owned and shown German Spitz, German Wire Haired Pointer and a Yorkshire terrier. I truly believe that dogs is a family orientated sport. My children have been active Child Handlers and as a parent, I am committed to promoting all dog activities as the wonderful family friendly hobby that it is.

If elected as councillor my commitment would be to represent members in an unbiased manner and to make informed decisions on all matters before council. I firmly believe that the Dogs NT Council exists to serve us the members and to promote all aspects of dog ownership on the larger public stage. I thank you in advance for your consideration.
